Jo Newstead will be able to put together a programme for a CX youth coaching event/summer school similar to Denmark. Jo will look at contacting Ian Field if the event is a goer.
Paul M will send an email out to all current league members to ask for an organiser. Mark Wyer will write up a person spec/job description. Paul M will then publish as widely as possible.
 - d. Any other matters arising
None

 - a. Rider Survey Results
Ian P will remove any names from the survey and Dave will then publish

The RDP has gone into BC headquarters. BC are now deciding on KPI's for the BC Regional Development Officer i.e. Ian Doe
Board meeting is on the 9th May to rubber stamp the RDP and where the roles and responsibilities lie.
6. Treasurers Report
Very little else will come in or out of the accounts now before the end of the financial year on Aug 31st. The League has a surplus of £2529.21 and the Association a surplus of £4084.56 so despite a brave attempt to spend some money we actually made ~£6,500 profit! World Masters contributed £2729.40 to the Association profit where again we had anticipated funding a deficit. It's possible that we may have to pay levies to BC to cover the insurance but this would amount to less than £2,500.
7. Coaching update
Nothing has been happening the last few weeks because it's not CX season and Mark has

been ill.

8. Year Book

Year book have been completed and printed and are now being sent out. Point of this was to have a printed document to show to a landowner exactly what we do, where we go and promote Cyclocross to a landowner/venue/organisers. Should be a real gamechanger in terms of showing what CX is all about.

9. Awards

18th September Amis Velo presentation of 2021/22 awards as part of event.

10. World Masters

Revised schedule includes moving two youngest categories to the Sunday so Mens 50-55 and 55-59 races are now separated. Making it a 3 day event. Entries go live 1st August using same principles as last year. Open U10, 12 and youth and special Olympic races on Sunday.

11. 2022/23 Calendar

Emails have gone out this evening to all organisers from last year. Amis Velo, VCR and Cambridge have already responded with dates. Dates to be fitted around World Masters, Nationals, National Trophies and possibly World Cup. Regionals week before World Masters as per 2021.

12. AOB

Vet 50 race will be opened up to 100 riders for 2022/23 season

13. Date of Next Meeting

6th June 2022 @7:30pm
