1. Apologies
Jo Newstead, James Madgwick, Dave Copland
2. Minutes of Last Meeting
Signed as a true record
3. Matters Arising
Simon has had discussions with Colchester about end of season team relay. They're quite interested but want to get their League event done and dusted first before committing. National Conference at Derby – Ian P will forward details when they arrive.
4. Treasurers Report
Not much to report. We have had two lots of league registrations in which amount to around £2,000. We've paid for medals and numbers which are similar to last year so nothing too concerning. 17 sets of numbers so we should have plenty.
5. Coaching update
Last time we talked about joint Ashwell and Colchester coaching initiatives. Trend for the summer races is that adult races sell out, the kids races are less well supported. Colchester slightly better than Ashwell as there was a coaching offer. Benson Ho from Hadleigh CC has done some great work with junior coaching at Hadleigh. Plan is to develop a list of training resources that are available across the region and to launch those at the start of September. Colchester have been running some great junior sessions. Feedback from Mondays U12's race was very positive
